## **SPEECH AND LANGUAGE THERAPY**

**SPEECH** refers to the sounds that we make. It includes articulation (the clarity of our sounds), stuttering (the flow of our sounds), and the quality of our voice.

**LANGUAGE** refers to the content and meaning of our communication. It includes nonverbal communication, the meaning of sounds and words, comprehension, expression, social language use, and overall language processing.

## **PRICING:**

- Weekly one hour sessions (45 min therapy time + 15 min notes & homework prep) \$120/session
- Intensive (2x/week) sessions \$220 for the week
- SLP assessment only (no therapy after) (3 hours including report) \$380

Please contact Jessica DiFonzo [jdifonzo@oakwoodacademy.ca](mailto:jdifonzo@oakwoodacademy.ca)
